## CAREER OBJECTIVE

"I am a strong conceptual thinker with a strong background in HTML, CSS, SASS, Bootstrap, JavaScript, JQuery, Angular, PHP and WordPress who has a keen interest in all things related to the design & development of Website and Application. I have a good understanding of design concept and programming logic, can come up with plenty of innovative ideas and possess superb communication skills. I also own the enthusiasm and commitment to learn new technologies and develop my career to the next level."

## CAREER SUMMERY

I worked at Maison Mahdil as a Jr. Web Developer where I worked on multiple projects as a Frontend as well as a Backend dev. Then I joined in 1<sup>st</sup> April, 2016 at Scoompy Inc. (San Diego, United States) as a Freelance Front-end Web Developer. Currently I am working as a Front-end Developer in Central Station Marketing (BD) since Sept, 2017.

## IT TRAINING

Has been awarded and successfully completed IDB-BISEW IT Scholarship. The outline of the course was:
